The Honorable Tammy Baldwin  
Chairman  
Subcommittee on Labor, Health and Human  
Services, Education, and Related Agencies  
U.S. Senate Committee on Appropriations  
Washington, D.C. 20510

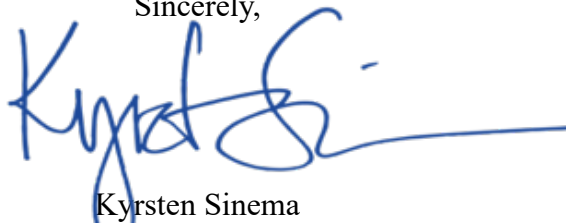

The Honorable Shelley More Capito  
Ranking Member  
Subcommittee on Labor, Health and Human  
Services, Education, and Related Agencies  
U.S. Senate Committee on Appropriations  
Washington, D.C. 20510

Dear Chair Baldwin and Ranking Member Capito:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2025 Labor, Health and Human Services, Education, and Related Agencies Appropriations bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

Thank you for your important work and leadership on the Labor, Health and Human Services, Education, and Related Agencies Appropriations Subcommittee. None of the entities for which I have requested congressional directed spending are for-profit entities. If you have questions about any of these requests, please contact Austin Kennedy in my office ([Austin\\_Kennedy@sinema.senate.gov](mailto:Austin_Kennedy@sinema.senate.gov)). I appreciate your consideration of these requests.

Sincerely,

Kyrsten Sinema  
United States Senator

**Sinema, Kyrsten(D-AZ) Labor and Health and Human Services  
Congressionally Directed Spending Requests**

<b>Recipient Name</b>	<b>Project Purpose</b>	<b>Project Location</b>	<b>Amount Requested (\$000)</b>
Horizon Health and Wellness	Horizon Health and Wellness intends to expand our rural integrated health care services in our Apache Junction and Casa Grande clinics to include radiology and imaging services with a focus on Women's Health Services.	Apache Junction AZ	\$1,038
Central Arizona College	The project is to establish a Diagnostic Medical Sonography (Ultrasound) Education Program at Central Arizona College's Superstition Mountain Campus.	Apache Junction AZ	\$1,886
Cochise County Health and Social Services	Currently, Cochise County Health & Social Services shares one nurse practitioner with the county's Detention Health Services Division, limiting clinical services to 10 hours weekly, across all clinics.	Bisbee AZ	\$157
Copper Queen Community Hospital	CQCH will begin a new 2 story construction project on the current hospital campus to house new surgical suites, post op and medical/surgical rooms vastly increasing current capacity and services. The appropriations request is to supply the needed medical equipment for the new facility.	Bisbee AZ	\$5,000
La Paz Regional Hospital	Construct a primary care clinic in Bouse Arizona to address the growing healthcare needs of the residents.	Bouse AZ	\$2,500
Arizona Fire & Medical Authority	The objective of this project is to construct a fire station within one of Maricopa County's rapidly expanding regions that presently lacks adequate fire and emergency medical services.	Buckeye Valley AZ	\$1,500
Arizona Fire & Medical Authority	The objective of this project is to construct a fire station within one of Maricopa County's rapidly expanding regions that presently lacks adequate fire and emergency medical services. Existing response times fall short of both national and local benchmarks.	Buckeye Valley AZ	\$4,800
Bullhead City Fire Department	The Bullhead City Fire Department is in need of a 4-wheel drive ambulance to help support the overwhelming demand for wildland responses in the state. This project will allow us to deploy our fire department personnel and resource to complex wildfire incidents throughout the state.	Bullhead City AZ	\$351
WestCare Arizona I, Inc.	The project will increase access to mental health services for persons with a serious mental health illness (SMI) in need of a Health Home by providing comprehensive mental health assessments as well as counseling and support services in the community.	Bullhead City AZ	\$844
Central Arizona Regional Economic Development Foundation	This request will mitigate the negative effects of COVID-19 on children's reading proficiency using a multi-generational approach by delivering an evidence-based program to Arizona students most in need.	Casa Grande AZ	\$7,776
Recovery Cafe Arizona	This proposal will provide all members with improved access to recovery services, meet new membership demand, and increase paid staffing, including a case manager and an executive director.	Chandler AZ	\$450
Chinle Unified School District No. 24	During the COVID pandemic school closures, we secured laptops for every student and teacher using CARES and/or ARPA funds, and our state academic test scores show that we have resumed closing the achievement gap in many schools and grade levels.	Chinle AZ	\$3,935
Dishchiibikoh (Cibecue) Community School	The construction of Dishchiibikoh Community School Junior High Building is a priority, currently the students are occupying dilapidated modular building built in 1960's. Due to unsafe classroom environment the students are not motivated to come to school to learn.	Cibecue AZ	\$10,000

Ak-Chin Indian Community	Ak-Chin Indian Community is requesting \$191,546.45 for the acquisition of new portable radios for our fire department. The purpose of this project is to replace and upgrade the inventory of portable radios which are currently outdated and non compliant with safety regulations.	City of Maricopa AZ	\$192
Fry Fire District	The purpose of this project is to equip law enforcement officers across Cochise County with automated external defibrillators for use on cardiac arrest patients.	Cochise County AZ	\$180
Arizona Community Health Workers Association, Inc. (AzCHOW)	This statewide initiative will train and mentor 100 new Community Health Workers (CHWs) to join Arizona's health workforce to improve health outcomes and reduce health disparities. Compensation will be provided during training/internship.	Cochise County AZ	\$1,000
Creek Valley Health Clinic	This project will support expansion and improvement of health services along the northern Arizona Strip. This region is approximately 35 miles, spans from Colorado City to Fredonia, and includes rural communities of northern Mohave and Coconino Counties.	Colorado City AZ	\$2,968
Creek Valley Health Clinic	This project will fund construction for a new building that will support mental health and substance abuse education and treatment, pain management and alternatives to opioid use, and chronic disease education, prevention, and management through diet and activity.	Colorado City AZ	\$3,000
Sun Life Health	Due to the substantial growth in the population of Coolidge, Arizona and the increased need for healthcare services, Sun Life Health is proposing to demolish its current facility and construct a larger clinic which will be better equipped to meet local demand for services.	Coolidge AZ	\$6,971
Northern Arizona Healthcare Verde Valley Medical Center	Northern Arizona Healthcare (NAH) is undergoing a comprehensive remodel and expansion of the Verde Valley Medical Center (VVMC) to best meet the needs of the community, including the modernization of a behavioral health holding area.	Cottonwood AZ	\$5,000
Verde Valley Fire District	This CDS project request is to secure funding to purchase a new ambulance for the Fire District. This ambulance will be replacing a 16-year-old ambulance that no longer meets the safety standards for EMS providers rendering patient care in the ambulance.	Cottonwood AZ	\$361
Steps to Recovery Homes	Steps to Recovery Homes proposes to provide treatment and recovery services for individuals suffering from mental health disorders and/or co-occurring disorders to include substance misuse.	Cottonwood AZ	\$535
Spectrum Healthcare Group	The project will fund necessary renovations of Spectrum Healthcare Group's Momentum women's residential treatment facility.	Cottonwood AZ	\$535
Steps to Recovery Homes	The purpose of the Steps To Recovery Homes (STRH) grant request is to provide specialized job training and career placement opportunities for those newly recovered as well as a workforce for surrounding communities.	Cottonwood AZ	\$250
Dine College	The Dilkon Chapter and Diné College are submitting this proposal as a continuation of the colleges effort to expand access to college, build the infrastructure for economic development through entrepreneurship and provide food security by expanding extension services to growers and producers.	Dilkon AZ	\$1,500
Eloy Fire District	To address the need for extended-scope critical care transport from a new hospital (and only one) in Eloy with limited beds to Phoenix and Tucson area hospitals. Currently, we deliver baseline 911 paramedic care and transport.	Eloy AZ	\$258
TGen	TGen has been at the forefront of protecting public health by tracking and analyzing pathogen breakouts within our healthcare system. While this work has saved many lives, it isn't well known and the goal of this request is to expand this life saving work to benefit the entire state.	Flagstaff AZ	\$1,500

Northern Arizona University	Northern Arizona University College of Nursing (NAU CON) seeks \$150,000 in grant funding to significantly expand its Virtual Reality (VR) Simulation program across its four campus locations in Flagstaff, Phoenix, Tucson, and Yuma.	Flagstaff AZ	\$150
Coconino County	Coconino County Health and Human Services Medical Examiner's Office auxiliary cooler installation, facility, and equipment upgrades.	Flagstaff AZ	\$406
Fort McDowell Yavapai Nation-Social Services	To promote the safety and well being of children in the child welfare system.	Fort McDowell AZ	\$1,065
Fort McDowell Yavapai Nation	I am writing to request funding for the much-needed renovation of Wassaja Memorial Health Center (WMHC). As a small but vital healthcare facility serving a rural community, Wassaja Memorial Health Center is in desperate need of updates and improvements to better serve its patients.	Fort McDowell AZ	\$3,000
FMYN-Wassaja Family Services	To promote and expand on Substance Abuse services and resources for community and Tribal Members. Mental Health generally aligns with Substance Abuse concerns and can promote prevention or long term after care from Substance Abuse Treatment.	Fort McDowell AZ	\$1,075
FMYN-Wassaja Family Services	WFS Provides Behavioral Health and Social Services to the Fort McDowell Yavapai Nation Community. With access to more or better equipment can only promote the services that the department provides for the community.	Fort McDowell AZ	\$320
Fort McDowell Yavapai Nation	We propose to install new, energy-efficient AC units at the WMHC . The new units should be able to adequately cool the entire clinic space, ensuring a comfortable environment for both staff and patients.	Fort McDowell AZ	\$25,000
Fort McDowell Yavapai Nation	Seeking funding for a second Fire&Medical/PD station to serve the tribal community members living in the northern section of the Fort McDowell Yavapai Nation (FMYN). The second station would reduce response times for fire, medical and police emergencies in this area.	Fort McDowell AZ	\$5,000
Fort McDowell Yavapai Nation	The new solar-powered outdoor signage will not only provide a more efficient and cost-effective way to communicate with our patients and the community but will also help reduce the environmental impact of our operations.	Fort McDowell AZ	\$75
International Dark Sky Discovery Center	The exhibit hall displays are a critical component of a world-class \$25M facility that also includes an observatory, planetarium, theater, and Einstein Exploration Station to fulfill its educational mission.	Fountain Hills AZ	\$1,936
Treasure House	The project aims to deliver access to an innovative active living community for individuals with cognitive and developmental disabilities, fostering independence, vocational opportunities, and personal growth through tailored programming and support services.	Glendale AZ	\$750
Community Bridges, Inc.	The Community Bridges, Inc. (CBI), Globe Transition Point clinical facility has served our community for 16 years by providing substance use and mental health crisis and stabilization to patients living at low income or very low income.	Globe AZ	\$3,914
Mohave Community College	Mohave Community College's (MCC) proposed Advanced Manufacturing Training Center (AMTC) will provide students the exposure to hands-on learning, inspire and guide students to careers in advanced manufacturing.	Kingman AZ	\$3,000
Desert Hills Fire District	The Desert Hills Fire District is requesting to replace our two antiquated EKG Heart Monitor/Defibrillators with new technology, which are used daily on medical calls during patient care. As part of the request, the district is also requesting two CPR Chest Compression Systems.	Lake Havasu City AZ	\$224

Valley of the Sun Young Men's Christian Association	Valley of the Sun YMCA is requesting funding to purchase fifteen (15) new minibuses that will be used to increase access for school age children, grades K-12 (ages 5-17) to out-of-school time programs at 11 YMCA locations in Maricopa County.	Maricopa AZ	\$1,283
Reading Is Fundamental	In this statewide initiative, RIF, in partnership with local school districts and youth-serving organizations, will implement a multi-pronged program to support childhood literacy that reaches thousands of students from PreK through middle grades in under-resourced communities.	Maricopa AZ	\$1,500
Arizona Civic Coalition	The Arizona Civic Coalition is requesting funding for three civic learning convenings in which representatives from our partner organizations will provide civic learning resources and materials and invite K12 students, teachers, and families to engage in a dialogue around civic education.	Maricopa AZ	\$46
Midwestern University, Arizona College of Osteopathic Medicine	This project aims to create a medical/dental van to provide care in several underserved rural and tribal communities in Arizona.	Maricopa County AZ	\$1,300
Maricopa County Community College District	The Maricopa County Community Colleges District proposes investment in the Aerospace and Defense sector. The intent is to leverage existing assets and projected new investments to expand capacities and scale in the maintenance and repair technician workforce.	Maricopa County AZ	\$1,614
Best Buddies International, Inc.	Best Buddies is a non-profit 501(c)(3) organization dedicated to establishing a global volunteer movement that creates opportunities for one-to-one friendships, integrated employment, leadership development, and inclusive living for people with intellectual and developmental disabilities (IDD).	Maricopa County AZ	\$250
The Be Kind People Project Foundation DBA The Be Kind People Project	The Be Kind People Project (BKPP) aims to extend our proven character education program to benefit 100 Title 1 schools, impacting over 50,000 students statewide.	Maricopa County AZ	\$1,098
Circle the City	Given that medication adherence is the foundation for addressing patients' chronic and acute health conditions and a huge unmet need for individuals experiencing homelessness, CTC is opening its first onsite pharmacy to improve access to life-saving medications and education.	Mesa AZ	\$340
East Valley Institute of Technology	EVIT has built a dorm-type housing unit for foster students aging out of the foster system. We believe this is one of the first of its kind across the nation. Fosters students will be housed on-site, required to complete any secondary credential and an industry training program.	Mesa AZ	\$1,500
Mohave Valley Fire District	The purpose of the mobile and handheld radio project is to design and develop portable communication devices capable of transmitting and receiving audio signals over various frequencies, providing reliable communication solutions for individuals and organizations in remote or mobile environments.	Mohave Valley AZ	\$174
Mount Lemmon Fire District	The Mt. Lemmon Fire District (MLFD) urgently seeks financial assistance for the acquisition of a new 4x4 Type 1 ambulance to address critical operational challenges. The current ambulance, affected by aging and maintenance issues, hinders our emergency response capabilities.	Mount Lemmon AZ	\$328
Daisy Mountain Fire District	This project funds a multifunctional EMS training center. This center will ensure our firefighters maintain the required training hours for Paramedics and EMTs required by Arizona State and the National Registry of Emergency Medical Technicians.	New River AZ	\$948
Mariposa Community Health Center, Inc.	MCHC will expand and renovate its existing building to improve access to its Maternal and Child Health services. This expansion and renovation will provide specialized services for prenatal, postnatal, and pediatric care. The center will provide additional outreach and education to expectant mothers	Nogales AZ	\$2,755
City of Nogales	Replace ambulances that have exceeded their life expectancy	Nogales AZ	\$550

Santa Cruz County Provisional Community College	The College seeks federal appropriations for the design of a workforce training center/campus to address existing and emerging business/industry labor requirements.	Nogales AZ	\$3,000
Santa Cruz County Provisional Community College	The College seeks federal appropriations for the design of a workforce training center/campus to address existing and emerging business/industry labor requirements.	Nogales AZ	\$3,000
La Paz County Sheriff's Office	This project will enhance the ability of the Regional 911 PSAP Center dispatchers to provide relevant information and instructions to 911 callers who are experiencing an emergency medical issue.	Parker AZ	\$95
Phoenix Children's	To renovate Phoenix Children's Ambulatory Building, which will house an expanded Bridge Clinic to treat patients with acute mental and behavioral health conditions post-discharge. This renovated facility will allow for the expansion of behavioral health workforce training programs.	Phoenix AZ	\$1,500
Creighton University Health Sciences-Phoenix Campus	In response to evolving healthcare needs in Phoenix, Creighton University is establishing the Center for Healthcare Leadership and Workforce Readiness to provide healthcare training, workforce development programming, and facilitation of partnerships with healthcare employers for upskilling learners	Phoenix AZ	\$1,000
Barrow Neurological Institute	The Barrow Neurological Institute Neuroimaging Innovation Center is a multidisciplinary research center seeking to acquire infrastructure capable of conducting research into complex neurological diseases.	Phoenix AZ	\$700
Florence Crittenton Services of Arizona	This request is to fund tenant improvement in our behavioral health campuses serving girls and young women ages 10-21 located in Phoenix and Scottsdale.	Phoenix AZ	\$500
Arouet Foundation	Address workforce access gaps in women impacted by the justice system through a wrap around model that begins while these individuals are still incarcerated.	Phoenix AZ	\$600
Friendly House, Inc.	This initiative will expand and increase Friendly House (FH) services to impact the growing number of immigrants and refugees in Greater Phoenix including veteran populations seeking language skills, citizenship, education, and workforce training.	Phoenix AZ	\$1,000
Axiom Community of Recovery	To deliver substance use disorder evidence based treatment to veterans and at-risk homeless individuals in a peer support setting.	Phoenix AZ	\$400
Maricopa County Special Health Care District dba Valleywise Health	Valleywise Health is seeking support for the acquisition of critical equipment for a new, state-of-the-art Hybrid Operating Room (OR) at the Valleywise Health Medical Center in Phoenix, Arizona.	Phoenix AZ	\$2,816
CureDuchenne	Build and establish a state-of-the-art Duchenne clinic in Arizona (Phoenix Region), strategically located to serve a densely populated region and address the unmet needs of individuals and families, with English as a second language including those who are uninsured and underinsured, grappling with	Phoenix AZ	\$2,500
National Kidney Foundation of Arizona	Path to Wellness is a preventive screening program for underserved communities in Arizona. It was conceptualized and first launched locally by NKF AZ to identify those at-risk for chronic kidney disease (CKD) and to connect them to community and healthcare resources.	Phoenix AZ	\$120
Valle del Sol, Inc.	This project will renovate a newly leased building and purchase equipment to serve a demonstrated need for comprehensive health care services, including dental, mental health, and wraparound services, in the South Phoenix community.	Phoenix AZ	\$2,200
The Be Kind People Project Foundation DBA The Be Kind People Project	Located in Central Phoenix at the intersection of 7th Avenue and Grand Avenue, The Be Kind People Project has opened The BE KIND Community Education Center as a hub for youth and family enrichment, multi-generational education, and community volunteerism.	Phoenix AZ	\$816

Phoenix Navigation center and Emergency Shelter Workforce Development	To build a new, innovative emergency shelter that will provide training and skills development to people experiencing homelessness.	Phoenix AZ	\$1,050
Arizona Heart Foundation, Inc.	To provide access to complimentary ultrasound cardiovascular screening exams to Arizona Counties. Along with these exams, cardiovascular education takes place for every participant.	Phoenix AZ	\$250
First Place AZ	First Place AZ will establish a Neuroinclusive Multi-Specialty Interdisciplinary Clinic (NMSIC) tailored for adults with autism and/or intellectual/developmental disabilities (A/I/DD).	Phoenix AZ	\$2,840
Valle del Sol, Inc.	This project will renovate a newly leased building and purchase equipment to serve a demonstrated need for comprehensive health care services, including dental, mental health, and wraparound services, in the Central Phoenix community.	Phoenix AZ	\$2,000
Junior Achievement of Arizona	JA seeks backing for 3DE, an instructional model that overcomes current educational obstacles like chronic absenteeism, low graduation and college enrollment rates, and high teacher turnover, while supporting schools/district with a learning and assessment framework to ensure sustainable change.	Phoenix AZ	\$2,276
Roosevelt School District (RSD)	Aligned for Achievement is a comprehensive, community-centric approach to addressing the challenges faced by communities impacted by a multitude of social determinants of education.	Phoenix AZ	\$396
Phoenix Bioscience Core	The Office of the Phoenix Bioscience Core will establish a Center of Excellence for Neuroscience and Cognitive Health in Downtown Phoenix, which will support researchers at Arizona State University, Northern Arizona University, and the University of Arizona.	Phoenix AZ	\$3,000
Maricopa County Community College District	This project will support re/upskilling, apprenticeships, and K-12 workforce training and education programs at the first-of-its-kind medical device manufacturing and education facility centrally located at the Medical Quarter District in Phoenix.	Phoenix AZ	\$5,096
St. Joseph the Worker	SJW's Employment Without Barriers program seeks to provide pathways to self-sufficiency with employment at the core. We offer comprehensive services to break down barriers marginalized communities face when looking for and upon finding quality employment.	Phoenix AZ	\$1,178
Translational Genomics Research Institute (TGen)	TGen has recruited 500k+ participants in the largest Alzheimer's study. They now want to marry this data with actual MRI imaging and testing of the brain to find breakthroughs in addressing this disease primarily in rural areas where less data exists.	Phoenix AZ	\$2,258
Per Scholas, Inc.	Per Scholas prepares overlooked talent – Black, Brown, and female in particular – who are un/underemployed for thriving wage careers in tech.	Phoenix AZ	\$5,000
Southwest Center	The purpose of Southwest Center's Increase Energy Efficiency at the Parsons Center project is to enhance building safety and energy-efficiency by (1) replacing the building's main electrical panel, (2) updating the facility to energy-saving LED lighting, and (3) installing a rooftop solar array.	Phoenix AZ	\$850
A.R.I.S.E. Community Solutions, Inc.	Provide Shelter Stipend Assistance to clients attending the IOP at ARISE for drug and alcohol recovery.	Phoenix AZ	\$86
Phoenix Center for the Arts	The project expansion aims to implement a statewide or regional BIPOC Arts program, incorporating a "train the trainer" element to empower individuals in Creative Aging and Youth Art, addressing the need for equitable access to arts education and workforce development in underserved communities.	Phoenix AZ	\$1,000
Mountain Park Health Center	Mountain Park is seeking funding to support renovation of a vacant building on our Gateway Clinic campus. The completed project will provide space for clinical care coordination teams, public meeting rooms, centralized emergency supply storage, and an affordable 340b pharmacy.	Phoenix AZ	\$5,000

A.T. Still University - Center for Resilience in Aging	A.T. Still University (ATSU)'s Center for Resilience in Aging and Phoenix have integrated ATSU's CarePLaCe. CarePLaCe improves the knowledge, skills, and emotional well-being of family caregivers, enhancing the quality of care received by older adults living with Alzheimer's in Phoenix.	Phoenix AZ	\$1,359
Generations 4 Change	YANA House is a transitional housing program for young adults aging out of foster care, group homes and/or facing homelessness (ages 18-26).	Phoenix AZ	\$120
Valle del Sol, Inc.	This project will renovate our central Phoenix federally qualified health center and purchase equipment to serve a demonstrated need for comprehensive health care services, including dental, mental health, medically assisted treatment, seriously mentally ill, and wraparound services.	Phoenix AZ	\$2,000
Valle del Sol, Inc.	This project will renovate a newly leased building and purchase equipment to serve a demonstrated need for comprehensive health care services, including dental, mental health, medically assisted treat, seriously mental ill, and wraparound services, in the South Phoenix community.	Phoenix AZ	\$725
Valle del Sol, Inc.	This project will build an innovative and state-of-the-art federally qualified health center and purchase equipment to serve a demonstrated need for comprehensive health care services, including dental, mental health, and wraparound services.	Phoenix AZ	\$6,200
Valle del Sol, Inc.	This project will renovate our south Phoenix federally qualified health center and purchase equipment to serve a demonstrated need for comprehensive health care services, including dental, mental health, and wraparound services, in the North/South/West/Central Phoenix community.	Phoenix AZ	\$700
Valle del Sol, Inc.	This project will renovate a newly leased building and purchase equipment to serve a demonstrated need for comprehensive health care services, including dental, mental health, and wraparound services, in the Metro Phoenix community.	Phoenix AZ	\$930
Valle del Sol, Inc.	This project will renovate two homes to serve a demonstrated need for transitional housing in the Central Phoenix community.	Phoenix AZ	\$550
Rizing Tide Foundation	This request would provide additional resources to the impactful Rizing Tide Foundation so that it may expand the reach of its scholarships focused on increasing the diversity of physical therapists entering the profession, and thereby improve access to physical therapy and reduce workforce shortage	Phoenix AZ	\$500
Rizing Tide Foundation	This request would provide additional resources to the impactful Rizing Tide Foundation so that it may expand the reach of its scholarships focused on increasing the diversity of physical therapists entering the profession, and thereby improve access to physical therapy and reduce workforce shortage	Phoenix AZ	\$500
White Mountain Economic Development (WMED)	The project introduces an innovative digital assistant tool that harnesses the power of AI to provide on-demand resources strategically crafted to empower caregivers of individuals living with dementia with practical solutions and tailored support that aims to enhance the overall quality of life.	Phoenix AZ	\$2,854
Human Services Campus, Inc., doing business as Keys to Change	This project will support a Bridge Housing facility that provides temporary housing for individuals experiencing homelessness who have a coordinated entry housing referral and are in the search process for their permanent housing solution.	Phoenix AZ	\$804
Open Hearts	Open Hearts' Phoenix location was built more than 50 years ago and requires crucial renovation to maintain a safe healing environment and ensure that treatment spaces will better meet the physical, emotional, and psychological needs of the children and families we serve.	Phoenix AZ	\$970
Northwest Fire District	This project will fund Emergency Medical Services (EMS) equipment for two Northwest Fire District ambulances to ensure timely lifesaving response and EMS transport within the Town of Marana and unincorporated Pima County.	Pima AZ	\$338

Yavapai Regional Medical Centers	To improve patient outcomes and to support healthcare workforce through innovative technology. The program will provide additional accessibility to an underserved rural area.	Prescott AZ	\$228
U.S.VETS - Prescott	With this funding, we aim to address the social determinants of health for low-income senior veterans, providing comprehensive support that encompasses housing, nutrition, healthcare access, and social connectivity, thereby significantly enhancing their quality of life.	Prescott AZ	\$2,500
Central Arizona Fire and Medical Authority	CAFMA has received notification that we are being granted a Certificate of Necessity (Operating License) to provide emergency ambulance transportation service. This project will facilitate the necessary apparatus and equipment to provide the service.	Prescott Valley AZ	\$788
Yavapai College	Yavapai College aims to address the critical healthcare workforce shortage in Arizona and Yavapai County through its proposed Health Sciences Center by training the next generation of nurses, EMTs, and other healthcare professionals through expanded and new healthcare education programming.	Prescott Valley AZ	\$5,000
Town of Queen Creek	Funding for specialized scene management intended to increase the quality and speed of services being provided to the region from the Queen Creek Fire & Medical Department. This equipment includes vehicle extrication equipment, situational awareness systems, and thermal imaging cameras.	Queen Creek AZ	\$306
Town of Queen Creek	Funding for a new turnout cleaning system for our fighters that increases the effectiveness of the cleaning in removing harmful carcinogens. The increased effectiveness reduces the likelihood of our firefighters contracting cancer.	Queen Creek AZ	\$1,048
Mariposa Community Health Center, Inc.	The Rio Rico Clinic Renovation and Expansion project will create a comprehensive healthcare hub that integrates primary care, dental, radiology, and mental health services under one roof.	Rio Rico AZ	\$1,500
Mount Graham Regional Medical Center	This project provides improved detection and diagnosis of breast cancer to rural Arizona. Newer mammogram machines, only available in Arizona metro areas, provide advanced technology that enhances the accuracy of breast cancer detection.	Safford AZ	\$499
Arizona Western College	The Arizona Western College Blockchain Logistics Initiative (ABLI) aims to revolutionize logistics supply chains by integrating cutting-edge blockchain technology with practical industry applications, fostering innovation, collaboration, and critical thinking among students and faculty.	San Luis AZ	\$621
City of Scottsdale Fire Department	Funding from CDS for this project will assist the City of Scottsdale in the purchase of eight (8) ambulances. These ambulances are essential equipment and will provide the transport units that are necessary to meet the emergency transportation needs for our residents and visitors.	Scottsdale AZ	\$3,333
Timber Mesa Fire and Medical District	We intend to purchase three ambulances with all the required equipment (two Type-1 ambulances and one Type 2 ambulance). We will also purchase two EMS support vehicles (F-250 or similar vehicles).	Show Low AZ	\$1,337
City of St Johns	Continuation of the current funded USDA/Rural Innovation/Stronger Economy (RISE) workforce program which will end 2025. It is understood that USDA has cut the continued funding for this program drastically nationwide.	St Johns AZ	\$905
Town of Taylor	This project would provide a station alerting system in the two fire stations the Taylor Snowflake Fire and Medical Department run out of.	Taylor AZ	\$70
Tucson Medical Center	The redesign of the TMC Emergency Department will improve patient experience and patient safety for patients from throughout Arizona. The TMC Emergency Department was designed and build more than 30 years ago and is inefficient to accommodate our growing volume and increasing acuity of patients.	Tucson AZ	\$1,500

Tucson Children's Museum, Inc.	Tucson Children's Museum is expanding, adding an additional building and outdoor Science Park to the existing museum, to create a museum campus to meet the growing need. We are requesting funds for Phase III, the development of the Science Park, which will include interactive components for STEAM.	Tucson AZ	\$1,000
Earn to Learn	This is a proven matched-savings program that will provide college and vocational training scholarships to Pell-eligible students – improving college affordability, boosting educational attainment and addressing critical workforce shortages in Arizona.	Tucson AZ	\$3,000
Tucson Jewish Community Center	This project will support the Tucson JCC's Early Childhood Education Center, which provides educational services and care to children from all backgrounds and identities ranging in age from 6 weeks to 6 years old.	Tucson AZ	\$359
El Rio Santa Cruz Neighborhood Health Center, Inc. (dba El Rio Health)	El Rio Health is requesting \$625,000 for five (5) emergency generators to assure temperature control for medication/vaccine inventories as well as care continuity at 3 of our health center locations for 5 buildings currently without generators.	Tucson AZ	\$625
Pima Community College	This maintenance and repair simulator will provide a realistic and immersive training environment that closely mimics the experience of working on a large jet aircraft, thereby expanding the kinds of learning opportunities the College can offer students in our program.	Tucson AZ	\$1,312
Higher Ground a Resource Center	Higher Ground's Restart SMART initiative aims to enhance community schools in Southern Arizona by providing comprehensive student support through specialized teams, focusing on holistic needs, and seeking funding for infrastructure to ensure effectiveness, scalability, and equity in Title I schools.	Tucson AZ	\$845
JobPath, Inc.	This project will support the recruitment of 200 participants throughout Cochise, Santa Cruz, Pima, and Pinal counties in southern Arizona and help them complete a program of study that is aligned with industries essential to the economic recovery of the region post pandemic.	Tucson AZ	\$500
JobPath, Inc.	This project will support the recruitment of 200 participants throughout Cochise, Santa Cruz, Pima, and Pinal counties in southern Arizona and help them complete a program of study that is aligned with industries essential to the economic recovery of the region post pandemic.	Tucson AZ	\$500
TMC Health	The Tucson Medical Center Health Education Center will be a dynamic education hub on the TMC campus designed to provide educational opportunities for future and current healthcare providers.	Tucson AZ	\$2,802
Dunbar Coalition, Inc- dba Dunbar Pavilion	The Dunbar Pavilion is seeking critical funding for programs and initiatives that address the challenges faced by African American-owned businesses.	Tucson AZ	\$17
Arizona Western College	The purpose of the project is to establish a comprehensive training program in hydrometallurgical processing techniques for critical minerals, particularly cobalt and copper, to address the growing demand for skilled workers in the renewable energy and advanced manufacturing sectors.	Wellton AZ	\$5,300
Winslow Memorial Hospital dba Little Colorado Medical Center	Little Colorado Medical Center (LCMC), a 25-bed Critical Access Hospital, located in Winslow, is a community owned hospital. It cares for approximately 30,000 people in North Central Arizona. LCMC is a 501(c)3 not-for-profit hospital and has been a Critical Access Hospital since November 1, 2004.	Winslow AZ	\$1,645
Winslow Memorial Hospital	Our current pharmacy does not meet state requirements. This construction project allows LCMC to meet state requirements and add additional services to Winslow residences and surrounding communities.	Winslow AZ	\$1,500
