The Honorable Kyrsten Sinema  
United States Senate  
Washington, DC 20510-0001

Dear Senator Sinema:

This responds to your letter to Postmaster General Megan J. Brennan, requesting that the U.S. Postal Service analyze if Prescott Valley, Arizona, needs a new Post Office.

I understand your interest in ensuring that your constituents have convenient access to essential postal services. Arizona District postal officials are currently conducting a study of the Prescott Valley Post Office, and we will inform your office of the results once the study is completed.

Please be assured that the Postal Service is committed to meeting the needs of our Prescott Valley customers. To that end, local postal officials have extended package pick-up hours at the Prescott Valley Carrier Annex for the holiday season.

Thank you for writing. If I can be of assistance in other postal matters, please let me know.

Sincerely,

A handwritten signature in cursive script that reads "Mary Ann Simpson".
