

Capital Projects Fund Award Fact Sheet

Arizona

Treasury approves Arizona’s plan to invest \$99.4 million of CPF funding in broadband infrastructure projects that will provide high-quality internet to locations that lack access to adequate service.

Arizona Capital Projects Fund Program Overview

- **Program Summary:** \$99.4 million for Broadband Infrastructure (52% of CPF allocation)
- **Locations to Be Served (estimated):** 127,807 (households, anchor institutions, & businesses)
- **Program Description:** Arizona will implement two broadband infrastructure programs that aim to provide reliable internet access to areas of the state lacking adequate service. The Arizona Broadband Development Rural Infrastructure Grant program (ABDG-Rural) is a competitive grant program designed to expand high-speed broadband in the state’s thirteen rural counties. The Arizona Broadband Development Urban Infrastructure Grant program (ABDG-Urban) is a competitive grant program designed to improve and expand broadband infrastructure in the state’s two urban counties.
 - The program is designed to provide internet service with speeds of 100/100 Mbps symmetrical to households and businesses upon project completion.
 - Each of the internet service providers funded by the program will participate in the FCC’s [Affordable Connectivity Program \(ACP\)](#) – a \$30 per month subsidy for low-income families.
- **Key State Contact:** The Arizona Commerce Authority (ACA)

As reported by Arizona, estimates show that investments made using the Capital Projects Fund will serve ~11% of locations still lacking high-speed internet access in the state.
